

Do you consider yourself one of the best? Then you're not what we're looking for.

That is, unless you want to become even better. Because at Gemino we believe in openness – and in collaborators who do not just work on their tasks, but also on themselves.

We also believe in working as a team. And, strange as it might sound, that works best when everyone assumes personal responsibility. Gemino does not just reward its collaborators for their expertise and qualifications, their performance, motivation, collegiality and diligence. We also want to give you something:

our trust.

Gemino GmbH is an independent, owner-managed language service provider with offices in Berlin and Munich. Gemino helps companies from a wide range of fields and industries to make their products and services available in other languages.

We are currently looking for a full-time

Translator/Linguist (German-English UK/US)

with an eye for detail to work onsite in our Berlin office.

Minimum requirements:

- Native speaker of British or American English
- Translation degree
- Ideally with a focus on technical translations, as the majority of our clients with DE-EN translations is from the mechanical/electrical engineering and medical technology sectors
- Interest in manual/automated quality assurance processes

Extensive experience with tools (CAT etc.) is not a basic requirement. Gemino's team has a lot of experience and know-how in this regard and will be happy to train a new team member.

Please send your application by e-mail to anne.kriesel@gemino.de. Don't forget to indicate when you could start.

We're looking forward to your application!
